

As. 9-08 (Preparation for Speaking 9-03)

Think about the best vacation you have ever been on. ¿Fuiste a las montañas? ¿Fuiste a la playa? ¿Fuiste a otro lugar? Write a paragraph describing everything you can about that vacation – where you went, who went with you, what you did. Use at least five different verbs. It is okay to occasionally look up a word (from an approved source), but stick to things that you have learned how to say. For Speaking 9-03, you will share this essay with your classmates.
