Class Reunion

It is your 10-year class reunion and you have been asked to speak at the function. You are going to prepare a speech on the theme "Then and Now." These are things you will need to talk about.

1. Memories of what you were like in high school
2. Memories of your classmates
3. What you did after graduation
4. What you are doing now in life
5. Your family

Create a speech and a typed outline. You will be graded on the above elements as well as your body language, eye contact, enthusiasm and volume.
