

Listening Questions

Using the following 4 questions answer them after listening to each song on your own paper. Make sure to restate the question in the answer each time. Write the name of the song and the artist before answering the questions each time.

1. What mood is set by the song? (ex. happy, sad, hype, relaxing)
 2. What is the meaning or point of the song?
 3. Did you hear any similes or metaphors?
 4. Did you understand what the artist was saying?
-
